Assignment Recorded by Hunton and Williams

Sent Via Fax 703-305-7687

Dear Ms Coggins:

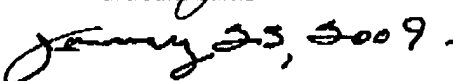

It has recently been brought to my attention that the above Patent application has been continually prosecuted by Hunton and Williams, through the authority of an assignment from Frank Jakubaitis, the named inventor. The last assignment of record shows (Tara Jakubaitis) as recorded owner and custodian of the property.

This letter is to notify you that the present assignment by Frank Jakubaitis does not represent my permission, consent, or ownership transfer of my interest in the above described application.

Please note the patent application of this finding, and have Robert Pond Examiner and your office suspend all prosecution of the application, until I contact and reach a satisfactory arrangement with the law firm who recorded the present assignment . If you have any questions I can be reached at 714-767-9406

Thank You

  
Ms. Tara Jakubaitis
